

Throw Away That Splitting Maul!

INTRODUCING THE **NEW**

8 TON

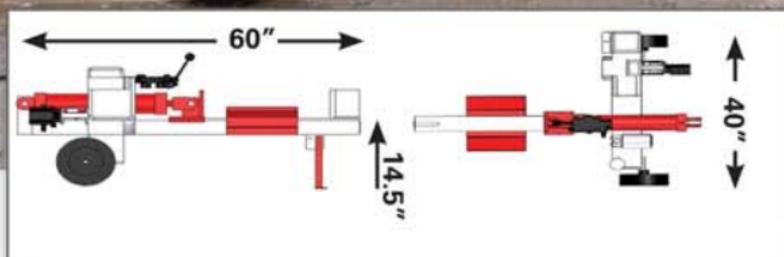

TW-C1

Finally...an affordable compact splitter that's made in the USA!

Now you don't have to compromise when you're ready to hang up that maul...the Timberwolf TW-C1 delivers the same quality and dependability of our pro line of commercial splitters. Around the home or on the farm - whether you're re-splitting five cords of wood or splitting small rounds, the TW-C1 is ready to get the job done!

TW-C1
